☐ Payments have been made in the amount of \$_____, but have not been accounted for. Documentation in support of attached hereto.

☒ Payments have not been made for the following reasons and debtor proposes

repayment as follows **explain your answer**): In our Chapter 13 case, our mortgage company has filed a motion for a relief from stay stating we are slightly behind with our post-petition payments. That is true. My husband has had some work difficulties in terms of not being able to work all the overtime that he would like, and the mortgage company says we are now six payments behind. We would be able to pay two payments immediately, and then could pay the balance of the arrears by making an extra half a payment each month until we are caught up. We think this is a reasonable proposal. Accordingly, we ask that the motion be denied.

☐ Other (**explain your answer**): _____
